Title: DYE COLORED FIRE FIGHTING FOAM CONCENTRATE

Assistant Commissioner for Patents

Box Non-Fee Amendment

Washington, DC 20231

PRELIMINARY AMENDMENT

Dear Sir:

In the Abstract

On page 21, please amend the paragraph following the heading "Abstract of the

Disclosure" as follows:

. AI
A fire fighting foam concentrate and a fire fighting composition containing a foamable fire fighting agent, a water-soluble dye, and glycol ether. A fire fighting foam concentrate and a fire fighting composition containing a fluorosurfactant-based fire fighting agent and a water-soluble dye. The concentrates are usually diluted with up to 100 times (v/v) water and aerated into a foam. In addition, a method for evaluating fire fighting foam concentrate concentrations in the fire fighting foam compositions created when the concentrates are diluted.
